And it is constitution." The object, as the paster worth a trip, even across the country said on Sunday, "is to thaw down the icy fingers designing, painting, embroidering, becoming acquainted and feeling at home, sewing, ironing, and washing dishes. In this latter occupation the tair girls were son more than about fifteen minutes at one ably assisted by some of the august mem- time; so the "rotation" is constantly going bers of the House, who did quite well, considering all things. The girls exhibited remarkable proficiency in their studies, and have learned even in this short while to be pattern housewives. The bedrooms to be pattern housewives. The bedrooms are models of neatness, and very homelike and pleasant, and the dining room, which is under the sole charge of the girls, is, in its neatness and arrangements, a thing of beauty. Of this much we feel confident, that no man who visited the College will vote against the appropriation, and that every lady visitar wished herself a school girl again, and one of the happy Institute girls. President Jones and the ladies of Columbus were unremitting in their attentions to the party, and when we left the hospitable home of our girls, we did so are models of neatness, and very homelike beauty. Of this much we feel confident, that he one was the college will that he one who we feel confident that he one who has a moderal people—all combined the people of the college will to the age of the people of the people

HE CLARION impression upon three of the young lady DECISIONS OF SUPREME COURT. with three of Columbus society men, over REPORTED FOR THE CLARION BY C. C. the beautiful streets of Columbus Thursday evening. The entire turnout was elegant, the gentlemen court ous and charm ing and the girls full of intense enjoyment. The good-byes the next day were most to Jackson a party whose every moment during the trip had been pleasant and en jayable. At Meridian a stop was made for onner, and a visit paid to the Insane Asylum, the management of which impressed all parties most favorably. The nished carriages for the transportation of the party, and desired further to honor as by a visit to the theatre and then a ball, but the tired members of the party were in the majority, so the train moved spirit of the whole delightful trip.

Legislative Dots.

We noticed quite a number of delegates o the Grand Lodge in the House yesterlay morning, among the most prominer Messrs, J. B. Morgam, M. M. Evans, J. Y. Murry and B. T. Kimbrough The discussion of "An Act in relation to ontracts for labor" in the House yester lay, was quite animated. Numerous men ours who have hitherto been content to be seen and not heard, took part in the derate and the subject was exhaustively disused. Pending the consideration of the till the House adjourned, and the end is not yet.

The appointment of Messrs Alexarder of Host. lerger, N. W. Lea and C. S. McKenzle, as ounties of Rollygr. Conhoma and Sun l over, were confirmed by the Senate ves-

JANISH AS ANDREA. The First Performance of the Season at Delive's Last Night.

Sardon has written many good plays out none stronger or more thoroug tramatic than "The Princess Andrea," which Madame Janish, Countess d'Arc ade her appearance last night at DeGive Julike "Fedora," which requires strong cting only here and there, "The Princes Andrea" exacts a versatitity that is within se range of but few living actress era Bernhardt and with Mademosell hear it is not saving too much to ad atter, and almost if not quite the equal of e former. Bernhardt as "Adrieume Le uvr-us" and Madame Janish as "Andrea e almost identical in dramatic metho ista have that period modulation of voi necessary to the role; now with a year ng tenderness in tone, now with the scor f outraged womanhood in every syllable Like most thoroaghly French plays Andrea" is replete with telling situation omedy. The fourth act is the climax of e play! Here the wronged wife endeavor her powers of persons on to keep he as been no such loventaking on the stage eside it even the arristic efforts of Emmi
